

Fantasia Bar Restaurant

Important announcement from team Fantasia

Dear Clients,

After almost 18 years it is getting time for us to step back.

From the 15th September the family Hussain and Lucky takes over our Bar Restaurant.

The chef Prabin stays in the kitchen, so the full menu is always available.

We want to thank all our clients, staff and suppliers for The Support they have given us all these years.

On the 13th September we invite all our friends, clients and suppliers for a goodbye and welcome party at 8pm. On that evening we can personally thank you and you can meet the family Hussain.

All bookings for Christmas and New Year stay the same as previous years.

This was not a easy decision to make but sometimes you have to take the decision.

We wish the family Hussain and Lucky all the best and success for the future.

Thank you very, very much and see you on the 13th September.

Debby, Remy and Henny
